Writing Confidential Reports of IAS Officers by Seniors Facing Enquiries

*574. DR. MOHAN BABU: Will the PRIME MINISTER be pleased to state:

(a) what is Government's policy regarding writing of Annual Confidential Reports of All India Service Officers by seniors who are either under suspension or are facing vigilance enquiries and vigilance proceedings;

(b) whether it is a fact that such senior officers usually use the ACR system to further their interests;

(c) in what manner Government propose to deal with this situation;

(d) whether any precedents are existing to deal with objections against senior officers undergoing vigilance scrutiny, writing ACRs of their juniors; and

(e) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS (SHRI S.R. BALASUBRAMONIYAN): (a) Since writing of ACR is an official work and an officer under suspension is prohibited from attending official work, he is also prohibited from wirting of ACRs of his subordinates as Reporting/Reviewing/Accepting authorities as the case may be. In cases where an officer is not under suspension he may write ACRs as per rules.

(b) No such reference has come to the notice of this Department.

(c) and (e) There are set procedures and rules for writing of ACRs, communication of adverse ACRs and their expunction, if necessary.

Subletting of Government Accommodation in Delhi

*575. SHRI TARA CHARAN MAJUMDAR: Will the PRIME MINISTER be pleased to state:

(a) whether a large number of cases of sub-letting of Government accommodation in Delhi have been detected during surprise checks conducted from 1995 to June, 1996;

(b) if so, the details thereof, type-wise and locality-wise;

(c) whether a large number of Government quarters have been got vacated consequent upon such checks;

(d) if so, the details thereof, type-wise and locality-wise

(e) whether a large number of Central Officers and staff have their own houses

in Delhi and are also occupying Government accommodation; and

(f) if so, the justification for allotment in such cases and thus, keeping a large number of needy employees waitinng for their turn?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN AFFAIRS & EMPLOYMENT (DR. U. VENKATESWARLU): (a) Yes, Sir.

(b) A Statement indicating suspected subletting is enclosed. (*See* below)

(c) and (d) Yes, Sir. On receipt of inspection reports, the show-cause notices were issued to the concerned allottees. On receipt of notices, 519 quarters were vacated by the allottees concerned. However, the type-wise and locality-wise details of such quarters have not been maintained.

(e) and (f) Officers who own houses either in their name or in the name of their spouse or dependent child at his/her place of duty or in an adjoining municipal area, are eligible for allotment of General Pool Residential Accommodation provided their turn is covered and they are otherwise eligible for allotment. The policy of the Government is to encourage house-building activities by government employees. Some of the reasons for making house-owning officers eligible for General Pool accommodation are as under:—

(i) Any restiction on eligibility of officers for government accommodation would be counter to the promotion of house-building activities.

(ii) The ban discriminates between employees who built houses at their place of posting and the employees who built houses at other places; and

(iii) Houses have been built mostly by employees in low income brackets more as shelter for themselves in their old age and their families than as an investment for profit.
